Mahirwe Ana 7 female

CLC—to provide refugee children and orphans with basic needs such as; education, food, shelter, entertainment, comfort, care and love.
 Nursery and Primary 1 and 2.

This is how your donation will be used when you sponsor a child or donate to the CLC.

- School fees - \$60
 4 teachers, 4 cooks, a janitor, watchman, school supplies, etc.
- Uniform - \$30
 shirts, shorts, shoes and stockings
- Food - \$60

TOTAL \$150 a year
 Think Humanity and the Coburwas Club will provide some of the expenses through fund-raising and donations. Even though some children have started school and have uniforms; we have to pay our teachers and cooks, provide meals and school materials. Staff members receive about \$50 a month.

When you provide education, care and love to a child, you are also providing hope for their future. The Coburwas Learning Centre is located in the UNHCR Kyangwali Refugee Settlement Camp in western Uganda. Refugees lack access to quality education and care. Children are most vulnerable and suffer from the consequences of war.
